

VON STRASSER

**Diamond Mountain District Cabernet Sauv.
Diamond Mountain District**

Our “DMD” is an elegant expression of Diamond Mountain District. This blend of our six single vineyards all within this AVA offers a softer, approachable style highlighted by its fruit forward nature.

Immediate nose is pleasing with dark fruit of blueberry, blackberry and leather layered with flavors of licorice, coffee, pomegranate and subtle earthy undertones. Wrap it up with supple tannins to enjoy now or up to 10 years.
