

“It’s the measure we use, measured back to you”

Good Measure Wines (GMW) is the PAC-Northwest sibling to our single-vineyard project, *Square, Plumb & Level (SPL)* wines. GMW is created by two guys that love home improvement (we’re always looking for a project), wine, and entertaining friends and family. If you think about it, “for good measure” is a staple catch phrase meaning that someone has taken an extra step to ensure detail or quality is not overlooked IN ADDITION TO what has already been stated or done; This is exactly what we did with *Good Measure Wines*.

Columbia Valley Chardonnay (Unoaked)
Wine & Spirits Magazine 2019 BEST BUY

Our Chardonnay is 100% varietally pure and without any oak influence. We de-stem all lots into open top, stainless steel fermentation tanks to cold soak and mingle with the native yeast. The lees were stirred a few times weekly through partial malolactic fermentation. For this Chardonnay we were interested in seeking growers in the *Wahluke Slope* and *Ancient Lakes* AVAs of the Columbia Valley. Due to their drier climates and caliche-rich soils, these growing areas showcase fruit with exceptional minerality and acidity; perfectly suited for our GMW Chardonnay.

- Varietal:** 100% Chardonnay
- Profile:** Lemon curd, Fresh baked bread, Minerals
- Pairing:** Chicken, Lobster, Light pasta dishes
- UPC:** 8 60324 00171 4

Columbia Valley Cabernet Sauvignon

Great Cabernets come from the Columbia Valley in Washington. Our growers hail from the *Wahluke Slope* AVA (dry, hot climate), but for good measure we also tap into more mature vineyards within the *Yakima Valley* AVA (warm days, cool nights). By integrating these unique regions known for ripe, red fruit and balanced acidity we have the ability to create a rich and well-developed red wine. We de-stem all lots, then move to a 48hr cold soak while the yeast goes to work, all the while pumping over 2-3 times daily through the end of fermentation. The final juice is left to rest in a combination of French & American Oak for 12 months, 25% new.

- Blend:** 85% Cabernet Sauvignon, 8% Merlot, 7% Syrah
- Profile:** Blackcurrant, Licorice, Cocoa
- Pairing:** Beef, Lamb, Hearty vegetable dishes
- UPC:** 8 60324 00170 7
